Reunion 2001 - Update

Your President's Message

In light of the events of September 11th, it became necessary to postpone the Association Reunion. The time was so short before our reunion, we had to act quickly to minimize the inconvenience of all who were planning to attend. In retrospect, a failure on our part in canceling could have left many people stranded between home and Milwaukee. The tragic events that accompanied the attack would have taken all the fun from our reunion and we think that reunions are meant to be happy, fun-filled occasions.

The work of **Doug Halbert** over-and-above the call-of-duty deserves the thanks of all members as he worked late into the night notifying everyone he could reach. **Don Filardo**, our 1st V.P. and on-site coordinator, also deserves our accolades for the time he spent putting everything together and then having to do it all over again. Doug and Don have agreed to continue their responsibilities until the April reunion is completed. We all felt this abbreviated *Hourglass* sent to the membership as soon as possible would bring everyone up-to-date and permit the scheduling for the April 25-28 reunion. The *Four Points Sheraton* allowed us to reschedule meals, room costs, etc. at the same price, if we rescheduled on the April date and didn't invoke the penalty clause for cancellation. Time and circumstance may even encourage a larger attendance to express our patriotism.

The most important item facing the *7th Infantry Division Association* is the need for volunteers to perform the work of the organization. Doug tells me that the average age of our members is 72, the most common age is 71, the oldest is 94 and the youngest is 22. Time is taking its toll on all of us, and we may need to break the Association work into smaller units and use more people to accomplish the work, so the burden isn't so heavy on just a few.

The April reunion is a change in our regular schedule which conflicted with several of the associated units of the *7th IDA*. Hopefully, this will provide an opportunity to those who have been active in their associated units to attend the Division Reunion. We could perhaps lay the groundwork for eliminating as much as possible overlapping our reunion

dates with their dates. This would give us greater bargaining power for hotel and entertainment rates and contribute to an increase in the number of people present who you served with. Hopefully, we can strengthen and unite our organizations as a result of having to adjust to this unexpected tragedy. Let us use this event to strengthen our country and our *7th Infantry Division Association*.

Don Foltz
President

Our hearts and condolences go out to those who lost family members or friends on September 11th, 2001

Your Secretary's Message

It was a disastrous day in the history of the world. Our country was attacked by persons who have no regard for human life.

To all of those who had planned to attend our reunion in Milwaukee, our sincere gratitude for your understanding acceptance of the decision to cancel the reunion. Additionally, a special thanks to those who were awakened in the middle of the night by a phone call to tell you of the cancellation. It is with pride in the membership that it can be reported — not one person reacted angrily.

So where do we go from here? Your Officers and Governors have agreed to reschedule the reunion for the last week of April 2002. We will be meeting at the *Four Points Hotel* in Milwaukee and the program will be the same. The dates are *April 25 through the morning of April 28*. The meals will be the same with the exception that our Friday dinner will be at the *Four Points* instead of the *Italian Community Center*. The cost will be the same and the hotel rates will be the same.

We owe a real debt of gratitude to the management of the *Four Points*, the *Italian Conference Center* and the tour operators. Not one of them threatened us with a cancellation penalty. They did everything they could to accommodate our necessary changes.

This issue contains information to help regroup, like the new *Reunion Registration Form* on the opposite page. It is requested that all of you who wish to attend the reunion in April complete this new registration form. We hope that additional members will be able to make the reunion and that those who had planned to be with us in September 2001 will be able to make the rescheduled reunion in April 2002.

On Page 5 you will find a *Hotel Registration Form*. As indicated earlier, the hotel has committed to maintaining the room rates originally quoted.

The tour operators have agreed to provide us with the same tours with the exception of the *Miller Brewery* tour. It turns out that Miller Brewery no longer conducts tours on Saturdays and that is the only day we could make it. The tour operators have made arrangements with *Sprecher Brewery*, a micro-brewer in Milwaukee, for a comparable tour of their facilities.

Doug Halbert
Executive Secretary

Reunion Refunds

It has always been the policy of the Association to refund reunion deposits as long as the cancellation information is communicated to us before event guarantees are given to the hotel, banquet or tour providers.

For those people who wish to re-register and leave your funds on deposit with the Association, we promise to take good care of them. For those who are not sure they will be able to attend in April and would like a refund, please send your reunion receipt to:

Doug Halbert, Executive Secretary
7th Infantry Division Association
518 Hilinai Street
Wailuku, HI 96793-9426

Please include the mailing address to which you want your refund check sent. Everything you paid in the way of meal deposits and registration fees is refundable. Upon confirmation of your refund entitlement, your information will be forwarded to the Treasurer. He will draw the check and forward it to you.

Every effort will be made to process your refund requests promptly. If you have not received a response to your request for refund by four weeks after you mailed it, please check with Doug to be sure he received it.

Airline Travel

For those of you who had flight arrangements with *Midwest Express Airlines* you should be able to re-book at the same or better rates depending on air fares this spring. Several people have asked about *Midway Airlines* and their relationship to Midwest Express. There is **NO** relationship. Midway is bankrupt. Midwest Express is currently a viable airline and they intend to honor those tickets they issued but could not be used because of the shut-down. Please note — We have a new **Convention File Number**. It is **CMZ1123**. Also, the travel dates to which the special rates apply are *April 20, 2002 through May 1, 2002*.

The discount rates are 15% (CM15) if you book 30 days in advance and 12% (CM12) if you book within 30 days of your travel date. We have also confirmed that those people who held tickets for flight dates of September 11th through September 17th will be entitled to a *full refund without penalty* should they not wish to use the tickets at a later date. This applies even if they were non-refundable tickets.

Reunion 2003

State Election Ballot & Membership Questionnaire

The *Constitution and By-Laws* require the *Governing Council* to recommend three states to the General Membership for the next reunion state. The *Officers & Directors* have arranged a special **ballot by mail** in order to meet this requirement. The *Governing Council* agreed that circumstances would allow an unusual opportunity for the entire membership to vote on the next reunion state. The council also decided to offer four choices so that four geographical regions could be represented. Please cast your vote for **one** of the following states, then send your ballot to:

Your vote will be counted if you are on the roster and your dues are paid. We appreciate the participation of our *Special, Associate, Honorary, Descendent* and *Widow* members, but unfortunately, you are not eligible to vote. Regardless, we hope that all recipients will take the time to answer the following questions

As **President Foltz** indicated, the age group of our membership is advancing. With the most common age being lower than the average, that means that more members are over 71 years of age than members under 71. Only 10% of our membership attends reunions.

For this organization to survive, there must be members who want to give of their time and talents to make sure of its survival. Here are some questions, and we need your honest answers. Results will be published in the next issue of *The Hourglass*.

1. Are you willing to serve as an officer or board member? _____
2. Do you want the Association to continue reunions? _____
3. If you had a choice, what time of year would you like to see the reunions held? _____
4. Should there be more issues of the *Hourglass*? _____
5. Would you be willing to publish and distribute the *Hourglass*? _____
6. Do you believe the Association has outlived its purpose and should be gracefully disbanded? _____

IMPORTANT - Reunion 2003

Because of the disruption of this year's reunion schedule, your *Officers and Board* have decided to deviate from the *Constitution and By-Laws* relating to selecting the state in which to hold the 2003 Reunion.

All eligible members are being asked to cast a vote to determine the State in which the 2003 reunion will be held. Additionally, the Officers and Board would appreciate your response to a few questions.

Please see Page 4 for complete details.
